NOTICE

HOW TO USE THIS CERTIFICATE

Registration Instructions

DGX

1. **Already have an account?** Please log in using your NVIDIA Enterprise account - Login
2. **New User?** Please register your Primary Technical Contact for support and the DGX Container Registry using the NVIDIA Support Registration Form. The primary technical contact is the person who will be responsible for managing your DGX. The DGX Container Registry Administrator is responsible for adding and managing new users and projects for your organization in the DGX Container Registry.
3. You will need: Valid Serial number, Entitlement ID, and the Sales Order number to complete your registration. This information is found in the previous section of this certificate. (Note: It is important that you register your Primary Technical Contact who will manage your DGX to get the best experience from your system).

Support Registration is the only way to get access to the DGX Container Registry, receive notifications from support on new product updates and critical security patches, submit and prioritize support cases, check status on open cases, and get access to the knowledge base. Following registration, you will receive a welcome email with access information for the NVIDIA Enterprise Support Portal and the DGX Container Registry.

Note: You can register prior to receiving the NVIDIA®DGX. Please use the information above when you register in the NVIDIA Support Registration Form
